# Memories

Thank you JCM for this wonderful opportunity. ~ Brian, Abigail, and Jiwoo

**The Three Musketeers.** Rongtian Yue maybe known for his computer skills, he is also a young master of flute. With four years studies under his belt, he has become the leader of the pack. Coming from a family of music pedigrees, Mathew Chen is recognized as a musician beyond his age by both his peers and the teaching community. His contribution to the trio on clarinet is truly essential. The pianist of the group, Stephen Chu was first introduced to the instrument when he was five. Now with CM level 9 within reach, he has become the favor of the three musketeers. Currently at their last year in junior high, the trio has joined together for their passion of music. (Stephen Chu, piano; Mathew Chen, clarinet; Rongtian Yue, flute)

Congratulations to the Debut Artist, Gaufrier trio: Ethan, Thompson, and Sedong. Thank you to the outstanding coaches Joon Sung and Ning An.
